

EMPOWERING NONPROFITS TO THRIVE

Tacosa 360 empowers nonprofits to scale their impact and advance their mission by overcoming challenges associated with limited experience, resources, and tools.

BUILD

Strategize goals with roadmaps and pragmatic steps for successful execution.

SUSTAIN

Maximize resources with optimized operations, diversified revenue, and data storytelling.

THRIVE

Expand impact and visibility through effective messaging for growth and scaling.

UNIQUE APPROACH

Tacosa 360 uniquely integrates a business perspective, the 'why' behind strategies, and your organization's capacity for change.

Resulting in tailored and pragmatic steps designed for you to gain sustainable traction toward goals and mission advancement.

Tanja brings a unique combination of business acumen, marketing and planning with a passion for helping nonprofits fulfill their mission.

She is driven and effective, and an excellent partner for nonprofits who need to "up their game" in business operations, planning, and go-to-market strategies, especially for new ventures or times of complex change.
